Subject: Your voicemail

Hi Nancy and Stephen,

I am not clear on what you were asking for, Nancy, via your voicemail, but it sounded like Excelsior FOIA'd EPA for our extension request letter and you were hoping I would provide them directly with a copy to avoid the hassle of having to issue a redacted copy?

Happy to do what's needed if you can clarify.

Also, Stephen, you can feel free to ask me directly for such things.

Thanks!
